

# Jacob Mobley

Full Stack Developer

Spencer, IN 47460

812.272.6946

Mobleyj2@gmail.com

## OBJECTIVE

Secure a responsible career opportunity to fully utilize my training and skills, while making a significant contribution to the success of the company. I have had an interest in computers since I was in high school. I was able to secure an intern position with a computer hardware and software company. After high school, I continued learning computer science at Ivy Tech. Recently I secured a position in a Butler University program for Full Stack Developer

## EDUCATION —

Butler University

API

## COMMUNICATION

I'm a very hard worker and given the opportunity, I will excel. I have been working very hard to learn new skills. I'm very good at problem solving. And communicating between managers and group projects.

## LEADERSHIP

I was an Account Manager at Pepsi. I was in charge of over 15 accounts and also 6 to 5 drivers and merchandisers.

Through route sales I was an independent contractor and excelled in customer relations and time management.
